Who We Are

Higher Power Recovery Celebration has been serving the San Francisco Peninsula since 1992. At Higher Power, you can expect an evening of music, teaching, and fellowship centered around God's work in our recovery. We go through all 12 steps in a year one step a month. We teach on - being healthy in recovery and the importance of getting connected and being in service. You will get to hear testimonies from people who have found a new way in recovery at Higher Power. We meet at the Foster City Campus in the Multi-Purpose Room. We believe that no one is ever too broken, or too far gone to create change. Never stop fighting. Never lose faith.

Children (ages two – eleven years old) are welcome, and we provide care and activities. Infants are welcome to stay with their parents in the meeting as well as children twelve and above.

*Psalm 51:10
Create in me a pure heart, O
God and renew a steadfast
spirit in me*

Annual Events a Tradition for Higher Power

Gratitude Night

November we have a special night filled with food, music, laughter, and fellowship. We hear from several people who share their story of gratitude in their recovery journey. It is a top favorite of our many events

Higher Power Retreat

Get away to the Redwoods and have an amazing time together. Over a weekend we focus on personal reflection and deepening our spiritual roots in recovery. This is a weekend to remember

Night of Miracles

December we gather together and remember that we are all miracles in recovery and by God's grace. We have been given a second chance at a new life, we give all the glory to God

*Psalm 91:2
I will say of the Lord "he is my
refuge and my fortress, my
God in whom I trust"*

Local Bay Area Outreach & Collaboration

We help to bring awareness in the community by participating in local events and resource fairs that enable us to partner with our city and other entities that focus on supporting recovery.

Eph 4:25

Therefore each of you must put off falsehood and speak truthfully to his neighbor for we are all members of one body

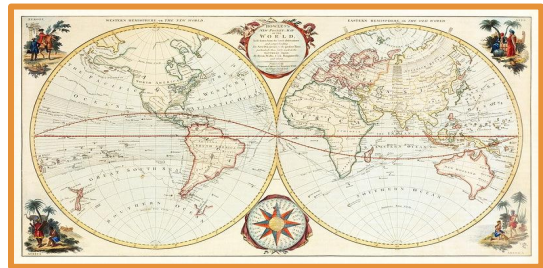

Nothing Holds Us Back

Behind the Walls

never
never
never
give
up

(winston churchill)

Behind the walls gives us an opportunity to go into the local jail and host a Higher Power Service. We connect and invite them into our community. We are a resource for anyone who is getting back on their feet.

Mission Trips

Located on an olive farm in Pozoblanco Spain where a small church supports a men's rehab. We go to share the message of recovery and God's hope.

*Romans 4:23
All have sinned and fall
short of the glory of God*

Music Ministry is a BIG part of Ministry

Psalm 95:1
Come let us sing for the joy of
the Lord; let us shout aloud to
the Rock of our salvation
